

Agenda

NELUG Meeting

January 17, 2018
4:00pm – 6:00pm

Facilitator:	Laura Gillenwater, NELUG Chairperson
Host:	Laura Gillenwater, Sun Life Financial
Minutetaker:	Andra Serzans, Pfizer, Inc.
Prework:	Please <ul style="list-style-type: none">• think of Lectora-related questions or tips or a little sample of something you created in Lectora that you might have to share and• give some thought as to what topic, if any, you might be willing to present at a future meeting.

Agenda Topics

5 min.	Introductions <u>Expected Outcome:</u> Get to know fellow attendees – where they work, how long they've been using Lectora, and what kind of stuff they develop in Lectora, etc.	All meeting members
5 min.	NELUG Business <u>Expected Outcome:</u> Learn about, discuss, and/or make decisions on issues related to NELUG as an organization.	Laura Gillenwater
50 min.	Getting Your Graphic Design Skills from Okay to Great <u>Expected Outcome:</u> In this session, Caro will help us take our visual design skills to the next level by exploring how to use a visual theme to guide one's design process. She'll lead us in an exploration of how we can maximize graphic design principles to organize, explain, and enhance our content, communicating visually first and using words to support a visual message.	Caro Sanderson, Intermountain Healthcare
25 min.	Creating VR Training Using Interactive 360-Degree Videos and Images <u>Expected Outcome:</u> In this session, John will cover the creation, editing, publishing, and tracking of VR training using 360 degree video. He will highlight the potential learning applications for using VR, and how it can be integrated into your current learning environment to improve learning retention rates, using your current systems. He'll also explain the differences among VR, AR, and MR, introduce CenarioVR, a new tool for creating VR training and explain how to link multiple 360 degree videos together to create a story	John Blackmon, Trivantis
