

Agenda

NELUG Meeting

January 18, 2017
4:00pm – 6:00pm

Facilitator:	Laura Gillenwater, NELUG Chairperson
Host:	Laura Gillenwater, Sun Life Financial
Minutetaker:	Andra Serzans, Pfizer, Inc.
Pework:	Please <ul style="list-style-type: none">• think of Lectora-related questions you might have for our Lectora expert• think of any questions you might have to ask the group and/or tips or a little sample of something you created in Lectora that you might have to share, and• give some thought as to what topic, if any, you might be willing to present at, or would like to learn about, at a future meeting.

Agenda Topics

5 min.	Introductions <u>Expected Outcome:</u> Get to know fellow attendees – where they work, how long they've been using Lectora, and what kind of stuff they develop in Lectora.	All meeting members
10 min.	NELUG Business <u>Expected Outcome:</u> Learn about, discuss, and/or make decisions on issues related to NELUG as an organization.	Laura Gillenwater
60 min.	<u>Double Header:</u> “Overview of the New Test Results Object in Lectora 16.1/Lectora Online 3.1” and “Ask the Lectora Expert” <u>Expected Outcome:</u> In this first part of this session, Wendy and Daryl will cover <ul style="list-style-type: none">• how test results have changed since the previous versions of Lectora• how a single Test Results object can be customized, and• how you can use multiple test results objects for different circumstances. Afterwards, Daryl will field any questions you have about anything else related to Lectora. There's very little (if anything) that Daryl doesn't know about Lectora, so be sure to bring your most burning questions and your thorniest challenges!	Wendy Miller and Daryl Fleary, Trivantis
35 min.	Lectora Tips and Techniques <u>Expected Outcome:</u> Meeting members will have the opportunity to ask for help/information from others and/or share tips and techniques they've discovered.	All meeting members
5 min.	Meeting Assessment and Ideas for Future Meetings <u>Expected Outcome:</u> We'll discuss how this meeting went and what improvements we can make for future meetings	Laura Gillenwater
